How to Access BCC Research

Option 1

Member Login
(Recommended)

Sign in from any browser:

1. Go to bccresearch.com
2. Click "Member Login" in the top navigation
3. Enter your username and password
4. Click Sign In

Option 2 Forgot Your Password?

Click "Forgot password / Login issues?" in the login window, or go straight to:

bccresearch.com/epublish/index/forgotpasswordlib

A reset link will be emailed to you.

Option 3 Need Credentials?

Username and passwords are issued by your Company Administrator.

If you are not sure who your administrator is, or you have not received your credentials yet, contact BCC Research using the details on the last page.

Each person should sign in with their own credentials rather than sharing a login.

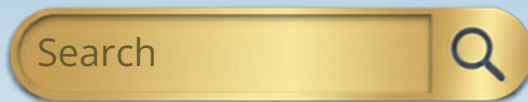

Access From Anywhere

Your login travels with you. Sign in with your username and password from the office, from home, or while traveling, on any device. There is no network or VPN requirement, and your saved searches and downloads follow your account.

Using the Platform

Finding Reports

- Use the search bar at the top to search by keyword, technology, or industry
- Browse by "My Categories" by clicking into each category and expanding
- Filter search page results further by using advanced search: filter by year, search in title, or specific category

Downloading Reports

- Locate the Downloads section on the report page to access
- To download specific content, navigate to the Lists & Figures section on the report page. From there you can select individual tables, figures, or both to download
- There are no download limits

Troubleshooting

Issue	Solution
You have not received a username and password	Contact your Company Administrator. If you do not know who that is, contact BCC Research support (details below).
You forgot your password	Use "Forgot password / Login issues?" on the login window to have a reset link emailed to you.
Access is denied or you're being asked to pay	You are likely signed out. Sign in again, then return to the report page.
Report won't download	Try a different browser or clear your browser cache and try again.
Still having trouble	Contact BCC Research support (details below).
