

Quick-Start Guide: Set Up Your Own Account

Welcome

Self-Service Registration

Your organization is already set up with BCC Research. Register your own email address, choose a password, and you are in. Nothing to request, no waiting on an administrator.

One registration gives you BCC Research membership, plus VerticalContext AI chat if your organization has purchased it.

Water Membrane and Separations, Fuel Cell and Battery, Food, Energy, Manufacturing, and Environment

Artificial Intelligence Technology

Artificial Technology & AI Sentiment Index

How to Register

Step 1

Open the registration page

Go to:

bccresearch.com/libraryuser/lib-access

Your organization is already listed on the page.

Step 2

Create your account

1. Enter your work or institutional email address
2. Choose a password
3. Click Register Now

Password: at least 8 characters, with an uppercase letter, a lowercase letter, a number and a symbol. No spaces.

Step 3

Verify your email

We email you a 6-digit code.

Enter the code on the registration page to confirm your address. Your account is not active until you do.

Step 4

Start researching

Sign in at bccresearch.com with the email and password you created.

If your organization has purchased VerticalContext, VC Chat opens with the same login.

Prefer to watch first? [See the two-minute walkthrough](#)

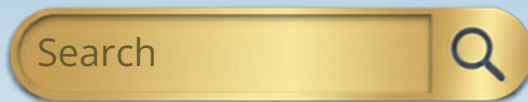

What You Unlock

BCC Research membership gives you reports, market scorecards, industry spotlights and member exclusives. **VC Chat**, the VerticalContext AI assistant, answers questions straight from BCC Research data, and is included if your organization has purchased it. One account, both, from any device.

Using the Platform

Finding Reports

- Use the search bar at the top to search by keyword, technology, or industry
- Browse by “My Categories” by clicking into each category and expanding
- Filter search page results further by using advanced search: filter by year, search in title, or specific category

Downloading Reports

- Locate the Downloads section on the report page to access
- To download specific content, navigate to the Lists & Figures section on the report page. From there you can select individual tables, figures, or both to download
- There are no download limits

Troubleshooting

Issue	Solution
Your email address is not accepted	Use your work or institutional email. Your organization's account is linked to it.
The verification code did not arrive	Check your spam or junk folder, then request a new code on the registration page.
Your password is rejected	Use at least 8 characters with an uppercase letter, a lowercase letter, a number and a symbol, and no spaces.
You forgot your password	Use "Forgot password / Login issues?" on the login window to have a reset link emailed to you.
Access is denied or you're being asked to pay	You are likely signed out. Sign in again with the email and password you registered.
VC Chat is not available to you	VerticalContext is a separate subscription. Contact BCC Research to add it for your organization.
Still having trouble	Contact BCC Research support (details below).
