Chapter 1: Introduction	1
Study Goals and Objectives	1
Reasons for Doing This Study	1
Scope of Report	2
Intended Audience	2
Microsphere Manufacturers	2
Microsphere Users	3
Technocrats and Scientists	3
C-level Executives and Investors	3
Information Sources	3
Methodology	4
Geographic Breakdown	4
Analyst's Credentials	8
Related BCC Research Reports	8
Chapter 2: Summary and Highlights	10
Chapter 3: Overview of Microspheres	14
Definition of Microspheres	14
Industry Overview	14
History of the Microsphere Industry	18
Technology Trends	19
Advantages of Microspheres	22
Ball-Bearing Effect	22
Encapsulation	22
Expandable Microspheres	24
High Filler Loading	24
Surface Quality	25
Weight Reduction	25
Pricing Structure	27
Critical Parameters for Selection of Microspheres	30

About BCC Research

About BCC Research

With our unparalleled 45-year history, BCC Research provides comprehensive analysis of global market sizing, forecasting and industry intelligence, covering markets where advances in science and technology are improving the quality, standard and sustainability of businesses, economies and lives.

BCC Membership

From market sizing and forecasts, to opportunity assessments and competitive analyses, our ever-expanding library gives you the data, insights and intelligence required to ensure your project is a success. Members benefit from ongoing, unlimited access to the category or collections of their choice, and most membership packages pay for themselves within two to three reports being accessed.

Did you buy this report? You may qualify to apply your purchase price towards a full membership. Call 866/285-7215 or E-mail info@bccresearch.com to request a demo.

BCC Custom Research

Our experts provide custom research projects to those working to identify new markets, introduce new products, validate existing market share, analyze competition, and assess the potential for products to impact existing markets. With impressive academic credentials and broad and deep knowledge of global industrial markets, our independent analysts and consultants develop the facts, figures, analyses, and assessments to inform the decisions that will move your company ahead. Confidential inquiries to: custom@bccresearch.com or 781/205-2429.
