

The Global Market for Carotenoids

June 2018

Andrew McWilliams

Report Code: FOD025F

Table of Contents

Chapter 1: Introduction	1
Study Goals and Objectives.....	1
Reasons for Doing This Study.....	1
Scope of Report.....	1
Information Sources.....	1
Methodology.....	2
Analyst’s Credentials.....	6
Related BCC Research Reports.....	6
Chapter 2: Summary and Highlights	8
Chapter 3: Market and Technology Background	11
Trends in Major Application Segments.....	12
Carotenoid Trends in Food.....	12
Carotenoid Trends in Feed	14
Carotenoid Trends in Cosmetics.....	15
Carotenoid Trends in Nutritional Supplements	16
Carotenoid Market.....	17
Market Value by Product Type.....	17
Market Value by Application	17
Market Value by Region	18
Competitiveness of Individual Carotenoids	19
Chapter 4: Principles of Production	23
Chemical Synthesis Route	23
Fermentation Route.....	28
The Algae Route: Open Pond System	30
The Algae Route: Photo-Bioreactor System.....	33
Extraction from Botanical Material.....	35
Extraction from Crude Palm Oil.....	35
Extraction of Bixin and Norbixin from Annatto Seed	37
Chapter 5: Industry Structure and Markets for Annatto	43
Product Characteristics	43
History.....	43
Government Regulations, Production Technologies and Formulations	44
Consumption Trends.....	45
Pricing.....	49
Market Shares.....	51
Current and Future Market.....	52
Chapter 6: Industry Structure and Markets for Astaxanthin	55
Product Characteristics	55
History.....	56
Government Regulations, Production Technologies and Formulations	57
Consumption Trends.....	60
Pricing.....	69
Market Shares.....	70
Current and Future Market.....	72

Chapter 7: Industry Structure and Markets for Beta-Carotene	76
Product Characteristics	76
History	77
Government Regulations, Production Technologies and Formulations	78
Consumption Trends.....	80
Overview	80
Consumption by Application	80
Consumption by Type of Production Method.....	91
Consumption of Beta-Carotene by Type of Formulation	93
Pricing.....	100
Market Shares	103
Current and Future Market.....	104
Chapter 8: Industry Structure and Markets for Apo-Carotenal	109
Product Characteristics	109
History	109
Government Regulations, Production Technologies and Formulations	110
Consumption Trends.....	111
Pricing.....	113
Market Shares	113
Current and Future Market.....	114
Chapter 9: Industry Structure and Market for Apo-ester	116
Product Characteristics	116
History	116
Government Regulations, Production Technologies and Formulations	117
Consumption Trends.....	118
Pricing.....	120
Market Shares	120
Current and Future Market.....	120
Chapter 10: Industry Structure and Markets for Canthaxanthin	123
Product Characteristics	123
History	123
Government Regulations, Production Technologies and Formulations	124
Consumption Trends.....	125
Coloring Egg Yolks	125
Fish Pigmentation.....	125
Food Coloring	125
Supplement, Pharmaceutical and Cosmetic Applications.....	125
Pricing.....	128
Market Shares	128
Current and Future Market.....	129
Chapter 11: Industry Structure and Markets for Capsanthin and Paprika Extracts	133
Product Characteristics	133
History	134
Government Regulations, Production Technologies and Formulations	134
Consumption Trends.....	135
Pricing.....	137

Market Shares.....	137
Current and Future Market.....	138
Chapter 12: Industry Structure and Markets for Lutein	141
Product Characteristics	141
History.....	141
Government Regulations, Production Technologies and Formulations.....	142
Consumption Trends.....	144
Lutein for Feed Applications	144
Lutein for Supplements	145
Lutein for Food and Other Applications.....	146
Pricing.....	146
Lutein for Feed	146
Lutein for Supplements	147
Market Shares.....	147
Lutein for Feed Applications	147
Lutein for Supplements	148
Current and Future Market.....	149
Chapter 13: Industry Structure and Markets for Lycopene	153
Product Characteristics	153
History.....	153
Government Regulations, Production Technologies and Formulations.....	154
Consumption Trends.....	159
Pricing.....	162
Market Shares.....	163
Current and Future Market.....	164
Chapter 14: Industry Structure and Markets for Zeaxanthin	168
Product Characteristics	168
History.....	169
Government Regulations, Production Technologies and Formulations.....	169
Consumption Trends.....	170
Pricing.....	172
Market Shares.....	172
Current and Future Market.....	172
About BCC Research.....	174
About BCC Research.....	175

About BCC Research

About BCC Research

With our unparalleled 45-year history, BCC Research provides comprehensive analyses of global market sizing, forecasting and industry intelligence, covering markets where advances in science and technology are improving the quality, standard and sustainability of businesses, economies and lives.

BCC Library Access

From market sizing and forecasts, to opportunity assessments and competitive analyses, our ever-expanding library gives you the data, insights and intelligence required to ensure your project is a success. With myriad options for access to fit all needs and budgets, call 866/285-7215 or e-mail info@bccresearch.com to request a demo.

BCC Custom Research

Our experts provide custom research projects to those working to identify new markets, introduce new products, validate existing market share, analyze competition and assess the potential for products to impact existing markets. With impressive academic credentials and broad and deep knowledge of global industrial markets, our independent analysts and consultants develop the facts, figures, analyses and assessments to inform the decisions that will move your company ahead. Confidential inquiries to: custom@bccresearch.com or 781/205-2429.
